

WHAT WE DO
makes a difference

The U.S. Department of Health and Human Services, Administration on Aging, works with a nationwide network of federal, state, and local agencies to make support services and resources available to older persons and their caregivers. During Older Americans Month in May – and every month – find out more about programs and services in your community by contacting the Eldercare Locator at www.eldercare.gov or calling **1-800-677-1116.**
